

Gene Idol, BA, LPC

Mr. Idol is a professional counselor who has worked in various aspects of therapy for about 30 years. He has worked in alternative learning centers with kids who have emotional and /or behavioral handicaps. For the last seven years he has been with Wellness Card, LLC as an individual therapist. His caseload is comprised of adolescents and adults. He has also worked for seven years in a local school system as a prevention educator. He worked with students in the 7th through 12th grades. In Working with teenagers, he has learned that a sense of humor really comes in handy. The program goals were to help students become more successful in the academic and personal lives. In addition, he is a 5th degree Black Belt in Taekwondo. For the past 34 years, Mr. Idol has been practicing and teaching Taekwondo and Tai Chi Ch'uan (ti jee chwan) to children and adults.
